

# ROSEN HOTELS & RESORTS

REST ASSURED.®

## Now more than ever, our guests can Rest Assured.®

Announcing the installation of the latest RFID technology in our guestrooms and meeting rooms.

At Rosen Hotels & Resorts, the comfort and security of our guests is at the heart of everything we do. That is why we have replaced all of our existing guestroom lock systems with the SALTO network lock systems combined with automatic deadbolts (ADB). The extensive installation is one more way Rosen Hotels & Resorts continues to ensure that every stay is as carefree and enjoyable as possible.

Should you have any questions regarding this security enhancement, we encourage you to contact your sales associate at your convenience.
